

3 ways to sell to Kid to Kid

Our normal buying hours are 10 – 4 pm Monday thru Saturday. Please call in advance around holidays to ensure that there is a buyer available.

There are 3 different ways to sell to us. Most of our buying is done in a walk-in basis, but you are welcome to make an appt. or drop it off and have us call you.

1. **Appointment** – Priority treatment. Great for first time vendors. Up to 3 bins of items.
2. **Walk-in** – Wait in the store while we appraise your items. First come, first served. Could take 20 min. to 90 min. depending on buying volume that day.
3. **Pre-approval** – (up to 40 items) Wait for a quick presort (5 to 10 min.) Large items will be priced while you wait. Leave remaining items to be appraised. Pre-approve the purchase price (your waiving the right to say no later and your items will be put out for sale when the buy is finished). We will call you when your payment for other items is ready to be picked up. Best for customers who have sold to us before and are comfortable with our pricing structure.
