

Our normal buying hours are until 3pm pm Monday thru Saturday. Please call in advance around holidays to ensure that there is a buyer available.

There are 2 different ways to sell to us. Most of our buying is done in a walk-in basis, but you are welcome to drop it off and have us call you.

1. **Walk-in** – Wait in the store while we appraise your items. First come, first served. Could take 20 to 90 min depending on how busy we are when you arrive. It's best to arrive early in the day, as sometimes we have to stop our buying early (depending on the volume that day.)

2. **Pre-approval** – Large items will be priced while you wait. Leave remaining items to be appraised. Most pre-approvals are done the same day, but it could take up to 24 hours to receive a call back. Pre-approve the purchase price (your waiving the right to say no later and your items will be put out for sale when the buy is finished). We will call you when your payment for other items is ready to be picked up.

Thank you for your business.
